### **RULING ON ENTITLEMENT**<sup>1</sup>

**Dorsey**, Chief Special Master:

On January 12, 2016, Diana Hagerman ("petitioner") filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered injuries to her right shoulder, which were caused by an influenza ("flu") vaccine she received on November 4, 2014. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On April 27, 2016, respondent filed her Rule 4(c) report in which she concedes that petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1. Specifically, respondent states that "petitioner's right shoulder injury is consistent with SIRVA, and that it was caused in fact by the flu vaccine she received on November 4, 2014." *Id.* at 3-4. Respondent further agrees that petitioner has met the statutory requirements for entitlement to compensation. *Id.*
